Eagle-eye Phillips takes deadly aim

We, the Senior Class, dedicate the nineteen-hundred-and-sixty-one MONTAGE to our favorite Senior, President Howard Mitchell Phillips, who with us, began his career at Alabama College four years ago. During this time President Phillips has meant much to the school and its students. His far-seeing, progressive leadership has gained him respect. His warmhearted friendliness has made him loved.

# Miss Alabama College

Miss Alabama College 1960 is a symbol of many things; she represents all of the students at Alabama College. The four years she has spent here have been years of change, transition, and progressive giant steps for Alabama College. Miss Alabama College, a product of these fruitful years, was chosen because the students felt she best represents the highest ideals and accomplishments possible at Alabama College. Because of her achievements in scholarship, leadership; because of her character, her loyalty to Alabama College; and because of her faith in the future as a product of the cooperative efforts of Alabama College and personal achievement—the MONTAGE presents Miss Alabama College 1961—

# Senior Elite

The selection of 1960 Senior Elite was delegated to the faculties of respective departments of study. All graduating majors in each department were considered and eventually that Senior who best represents the highest qualities of each department was chosen. The Senior Elite can be assurred that all confidence in future success has been vested in them—for by superiors well versed in their fields of study—these 17 were chosen to represent the epitome of accomplishment in that field. Selection was placed at the discretion of the faculties of each department using a skeleton outline for consideration of personality, scholastic accomplishment and contribution to the social and academic life at Alabama College. The MONTAGE then, presents the Seniors tops in their field now, with confidence in their future success.

# Who's Who in American Universities and Colleges

The highest recognition a student can receive both at Alabama College and nationally, is selection to appear in the 1961 presentation of Who's Who. Students are nominated by the faculty and elected by the student body. Scholastic average, academic contributions, and personal characteristics are the determining factors. This signal honor places these 20 Alabama College students before the nation and the world as men and women of accomplishment and deserving of recognition.
